General & Revenue Department

Sir,

In continuation of para 2 of my letter No. 1406 dated 11th January 1900, and of paras 8 & 9 of my letter No. 1639 dated 8th February 1900, I have the honor to state that the auction sales of the arrack vend farms and Separate Shops, Toddy shops &c will commence in April next. As the correct valuation of each shop &c and other preliminary arrangements, &c have to be made in all the taluks before the commencement of the sales, I beg to solicit that the services of another Assistant Commissioner applied for in my letter No. 3334, dated 21st November 1899, may be kindly placed at my disposal at least with effect from 1st March 1900, to enable me to complete the formation of the Excise Divisions referred to in my letter No. 1654 dated 15th August 1899, not only to carry out in time the said preliminary arrangements, but also to exercise proper supervision over the multifarious

multifarious departmental works. 2

2. As I have pointed out in my letters Nos 1684/62 dated 15th August 1899, and 4639/201, dated 8th February 1900, the Excise Revenue under the Free-tax system promises to expand further only under adequate efficient supervision. The imposition of restrictions and increased taxation under the free tax system, as well as under the new systems in regard to other items of Excise Revenue, has increased the temptation to illicit practices, which only a properly organised detective and preventive establishment can suppress. The proposals which I have submitted with my letter No. 1684/62 dated 15th August 1899, have been fixed comparatively on the very lowest scale consistent with efficient supervision and with the due protection of the State Revenue. Many of the existing hands are still on the temporary scale. They cannot be expected to do their work with the same amount of zeal, willingness and integrity as the members of the permanent scale. The additional charge of Rs 35,472 per annum which my proposals involve, is infinitesimal compared with the very large increase of Revenue to the extent of nearly five lacs expected during the

the current year under ~~Co~~ Eddy alone, as shown in my letter No. 4639/201 dated 8th instant.

3. Under such circumstances, I again respectfully beg to solicit early sanction to my proposals submitted with my letter No. 1684/62 dated 15th August 1899.

I have the honor to be
Sir
Your most obedient servant
M Srinivasa
Excise Commissioner
